DETAILED ACTION

Claims 67-68 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for crosses or locked quotes, does not reasonably provide enablement for other quotes. The specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make the invention commensurate in scope with these claims.

Claims 67-68 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

An unusual quote is indefinite in scope.

Claims 1-3,6,53-55,58-65 are allowable.
